Hi ,

Would your Sporting Club like an extra

\$500?

Following our successful promotion last year, DARE Adventures has decided to continue this great funding opportunity across WA to assist Sports Clubs during 2014.

Encourage your local school to mention your Sports Club when they book their new DARE Adventure experience with a 2014 School Camp of 18 or more students at our outdoor camp in Dwellingup. It is really that simple. A \$500 donation will be sent to your Sports Club once full payment is received for the camp at the time of the student's departure from DARE Adventures camp grounds.
