

Dwellingup's Adventure Retreat

Hi

Now is a great time to consider taking the classroom outdoors on a day excursion and exploring a wide range of life skills through hands-on activities.

As well as an ideal facility for extended school camps, DARE Adventures purpose built adventure camp is designed for one-day activity excursions where many life skills can be learnt and enhanced through exploration activities and games.

A great range of team building and personal development games are offered with some of our activities including:

- Decipher Morse code clues while exploring the camp grounds in the popular Code Breaker
- Meet the physical challenges and explore Dwellingup's foresting history on a mountain bike trek.
- Learn the skills involved in canoeing on the Murray River
- Tackle the challenge of abseiling, rock wall climbing, flying fox or crate climbing
- Explore coordination, balance and fitness on the challenging confidence course

Click [here](#) for a comprehensive list of our adventure activities.

Go on we **DARE** you...

Regards

The team @ DARE Adventures

Summer Camp in January 2014

The perfect break-out holiday entertainment designed for 10-14 year olds. Held during 12 - 25 January campers can attend one-day or the whole duration, with a host of fun-filled activities in the great outdoors for everyone's enjoyment.

Limited spaces are available with special offers for family groups or bookings of three days or more.
