## **Enjoy Rustic Camping at DARE Adventures**

---

At Dare Adventures in Dwellingup we are not the fanciest, nor the most modern but we are fun with acres of rustic charm. Students and teachers that camp with us have a real outdoorsy experience. We pride ourselves on having a well-trained group of instructors who really relate with the kids and know just how to encourage them to challenge their comfort zone.

There have been some big changes taking place at Dare this year and we would love the chance to share them with you all. We are continuing to develop our accommodation and activities to make sure they are at the best standard we can offer.

Six great reasons to choose Dare over other camps:

1. It's a real rustic camping experience, nothing fancy but a great place to rest after a day of fun.
2. So much time outdoors. The kids wake up and they are outside with space as far as the eye can see, its both calming and exciting.
3. We can tailor a camp to suit your goals or your budget just tell us what you need.
4. Amazing food!
5. Excellent staff who are there to make sure each student and teacher have the best experience possible.
6. Fun! It's a relaxed camp here to be enjoyed by all.

If your school has booked a camp this year that's great! We believe that camps are fantastic for students no matter where they are held. We would love to offer your school another option (please see booking pack).

# CAMPER SPONSORSHIPS

Dare believes in school camps and wants to make it possible for everyone to attend camp.

We are excited to introduce our Camper Sponsorships Program for students that may find it hard to afford to come to camp with their classmates.

Sponsorship applications will be completed by the school and Dare will select and notify the winners by 15th December 2018.

Maximum of 2 camper sponsorships per school.

2019 Camper Sponsorship Applications close 30th November 2018.
