

TERMS & CONDITIONS OF BOOKING

DEPOSIT/CONFIRMED BOOKING, CANCELLATIONS

To secure your booking a Save the Date Invoice of \$1500 is to be paid when you confirm your camp dates (as stated on the 'Confirmed Booking Form').

No booking is confirmed until receipt of the booking form and payment of the Save the Date invoice is received. Other schools will be able to book and confirm the requested dates if a booking does not have a booking form and paid Save the Date.

The payment is to save the dates requested and is non refundable in the event of the customer cancelling, however will be deducted as a deposit from the final camp invoice.

Request for change of date will constitute a cancellation of the original Save the Date invoice and forfeiture of the original payment. A new Save the Date will be payable to secure the date change and only if the new dates are available.

If the camp is cancelled by the customer within 6 months (180 days) of the booked date, cancellation fee is 50% of the camp fee based on estimated numbers.

If the camp is cancelled by the customer within 7 days of camp arrival, cancellation fee is 100% of the final invoice.

This fee may be waived if local, state or federal government enacts policy preventing access to the property or our providing services to the customer. We will reach out to reschedule in this instance. This is only effective if government direction is in force at the time of booked check in. Examples are (but not limited to) COVID policy restrictions and Bush Fire Warnings / Advice (for instance if the property is inside a bushfire advice or warning area as indicated on <https://www.emergency.wa.gov.au/>).
