RE: Provision for Catering for Gluten Free and people with Coeliac Disease

To Whom it May Concern,

While we operate a commercial standard, clean kitchen, our kitchen does have food prepared in it that contains gluten. We are not able to supply specific gluten free cutlery or crockery or prepare food in a specific gluten free space. We do supply gluten free alternatives to our standard meals and separate Gluten Free toasters at breakfast. While every effort is made to prevent any cross contamination of gluten to non gluten meals, we cannot make such guarantees. If the sensitivity is extreme for any person attending our venue, that person may need to bring food in labelled, microwavable containers from home.

We are happy to discuss this in more detail with you any time. Our contact details are below.

Kind regards,

The Dare Team
