### HALAL ACCREDITATION 2025

This is to certify that the establishment named **DARDANUP BUTCHERING COMPANY-BIBRA LAKES**, 22 Renewable Chase, Bibra Lakes WA 6163 has developed the capacity to process **HALAL BEEF, LAMB, SHEEP, DUCK, and CHICKEN** in accordance with the Halal Approved Arrangement as per IHMCSA's procedures and Islamic Sharia guidelines.

The Halal Approved Arrangement must incorporate the process for identification, processing, storing, and transporting of Halal products in all sections. The Arrangement will also incorporate post-operative cleaning procedures where non-halal products have been processed.

This establishment shall have in place a comprehensive identification system that is fully documented and clearly demonstrable effective segregation between Halal and non-Halal meats in the boning room, and chiller, during packing, loading, unloading, and transportation.

This certificate is valid until 31 December 2025. This certificate remains the property of the issuing organisation and is subject to periodic inspection/review. Failure to comply with the provisions of Islamic Shariah with respect to the Halal requirements shall lead to the cancellation of this certificate.

Request for renewal should be submitted to this office at least one month before the expiry date.
